SUBURBAN BASKETBALL LETTER TO PARENTS

It is that time of the year again when the WPRD and Hampden Parks & Recreation turns its attention towards the approaching winter months and the programs associated with them. This letter will hopefully answer any questions relating to the Suburban Basketball program and tryout process, while also relaying the Recreation Commission and Department's expectations from the parents and children.

This season Wilbraham and Hampden players can tryout for the suburban teams.

Last year the Falcons placed several teams in the Suburban Basketball Leagues. For the 2018 – 2019 season we will at a minimum place four "A" teams in the Suburban Basketball Leagues, the breakdown is as follows:

- One "A" 5/6 Boys
- One "A" 7/8 Boys
- One "A" 5/6 Girls
- One "A" 7/8 Girls

Having "B" teams will be determined by our tryout numbers and the player's skill set. We will only have "B" teams if we feel they can adequately compete. The determination on "B" teams will be made immediately following tryouts.

Each team will consist of a maximum of ten players (extenuating circumstances may lead to a particular team carrying 11, such as injuries), and will be determined by a tryout process utilizing independent evaluators. The evaluators will spend two days analyzing all the potential players, then submit one evaluation sheet listing the top ten players recommended for the "A" team, and the next ten players recommended for the "B" team, along with five or so alternatives. The evaluator's sheet is used to determine the twenty players who make the suburban basketball program. The Recreation Departments utilize the evaluators "A" and "B" team breakdown to find a potential coach for both teams. Determining a coach involves the following considerations:

1. Is there someone without a child in the program who is willing to coach, and that the Recreation Departments feel would be more suitable than a parent with a potential team player?
2. Is there an appropriate parent who has volunteered from the first ten that the Recreation Departments may approve of to coach the "A" team?
3. Is there an appropriate parent who has volunteered from the second ten that the Recreation Departments may approve of to coach the "B" team?
4. If the three aforementioned criteria are not met, than the Recreation Departments will use its discretion to determine what is best for the program as a whole.

Once the evaluators have chosen the twenty players and coaches have been selected, the process of dividing up the "A" and "B" teams begins. If needed, the following week the twenty players will practice together. The coaches, utilizing the evaluator's recommendations, will determine which players they feel belong on the appropriate teams.

Suburban Basketball is a competitive league that does not require things such as equal playing time, mercy rules, or other items normally associated with a Recreational Basketball program.

The Wilbraham/Hampden Recreation Departments have certain stipulations regarding the Suburban Basketball Program:

1. Coaches must play every child each half, for an appropriate amount of time. This might be two minutes during certain games, and ten minutes during other games. It is at the coach's discretion.
2. Due to lack of gym time and space, practices and games will vary drastically from week to week, and involve a major commitment during not only the week but weekends also. Are parent and child willing to make this commitment?
3. Throughout the season, the Recreation Departments expect parents, players, siblings, relatives, etc. to behave in an appropriate manner. Therefore we require that anyone who makes the team and their parents to sign a Code of Conduct. If the Code of Conduct is not followed, the Recreation Departments may remove the child from the team or request that the parent no longer attend games home or away.
4. We expect the coaches to make a commitment to the program; therefore we require the same from the players. Because of the highly competitive nature of Suburban, combined with limited practice time, attendance at practices and games is a must. Meaning that CYO, Soccer, Piano, Dart Leagues, or any other activity will **HAVE** to take a back seat to Suburban. If practices or games are missed, it is at the coach's discretion whether or not your son or daughter will play the next game, sit out a half, or be asked to leave the team. Are you also willing to commit to this? If another activity takes precedence, maybe the Recreational League is more appropriate. Obviously things like doctor's appointments, illness, etc. are not included in the above statement. Please use your judgment.
5. Last but not least, please call your coaches if your son or daughter is going to miss a practice. You would expect the coach to call if they are going to cancel practice, please have some common courtesy.

Please Note:

As previously mentioned, suburban basketball is a competitive league for which player evaluations are necessary. "Making a team" is dependent on an individual's basketball skills as well as the number and experience of other players trying out. Please remember that the evaluators are volunteers chosen because of their basketball experience and that they do their best to ensure that players are appropriately placed. If your child is not chosen to play suburban basketball this year, they have the option of honing their skills in the recreational league which does not involve a tryout process and ensures a team for everyone!

Via email, the Wilbraham Parks and Recreation Department and Hampden Recreation will do its best to notify the placement of each player within two weeks of the final evaluation. Please clearly state the email you desire the evaluation results to go to on the registration form. Suburban players will be required to submit a \$50.00 uniform deposit and a signed parent code of conduct form once players are notified.

Our goal at the Recreation Departments is to create a positive basketball environment that teaches young athletes the importance of discipline, team work and basketball skills, for all athletes interested in competing at the suburban and/or recreational level. We appreciate your efforts in helping us achieve that goal.

Thank You,

Bryan Litz
Parks & Recreation Director
